SUPREME COURT.

The fall term of the Supreme Court opened on Tuesday morning, his Lordship Justice McGuire of the Bench. As there were no criminal cases on the docket, Mr. Sheriff Hughes presented the Judge with the customary white kid gloves. There were only three civil cases on the docket, which were disposed of on Tuesday and Wednesday as follows:—

Storner vs. Betts—Stood over from last Court for judgment; account and set off. Both disallowed, each party paying their own costs. Brewster & McKay for plaintiff; MacLise for defendant.

Inkster vs. Stobart—Action to recover \$450, amount of a cheque which plaintiff alleged was paid to defendants in 1883, and for which plaintiff received no value. Verdict for defendants, with costs. MacLise for plaintiff; Brewster & McKay for defendants.

St. Louis vs. Shea—Replevin—Ownership of bank instrument. Judgment for plaintiff, with costs. Newlands for plaintiff; MacLise for defendant.

Christmas Number of the Globe.

The policy of half-way measures is one which seems to have no place in the management of the *Globe*. Having decided to issue a Christmas Number, and desiring, as was natural, to eclipse all efforts in this direction hitherto made in Canada, the *Globe* management first ordered new type, and not only that, but a new press, both of them the best that money could buy. They employed the best Canadian writers to furnish literary matter to fill the generous allowance of thirty-six pages, and the best Canadian artists to furnish three handsome lithographed presentation plates, a splendid illuminated cover, and other illustrations too numerous to mention. Altogether the *Globe* seems to be justified in announcing that this issue will surpass in excellence anything of the kind ever known in the Dominion. The price of this beautiful production will be only twenty-five cents, placing it within the reach of all. Order early, as the edition is limited. Leave your order with the nearest newsdealer, or, if more convenient, send direct to the *Globe*, Toronto.

AN IMPORTANT SIFT.

Messrs. Fulford & Co., of this town, manufacturers of Nasal Balm, and other proprietary remedies, have entered an action against Lawson & Jones, a firm of printers and box makers at London, Ont., for an alleged infringement of their Nasal Balm package. The damages are placed at \$10,000. A similar action has been entered against a Peterboro druggist for selling the imitation preparation.

The cause of action may be briefly stated as follows: About two years ago Messrs. Fulford & Co. began the manufacture of a proprietary medicine known as Nasal Balm, a cure for cold in the head and all forms of catarrh. That the medicine is one of great merit is amply evidenced by its large sale, and the rapidly with which it has won for itself a place as the most reliable catarrh cure in the market. It is well known that only successful articles—these having genuine merit and a wide sale—are considered worthy of imitation, and this holds true of Nasal Balm. Among these imitations is one known as Nasal Cream. In supplying these imitation boxes and labels, on the latter substituting the name of Nasal Cream for Nasal Balm, the printers also give the buyer several recipes for making alleged catarrh cures, and the dealer is thus equipped for carrying on a business with a preparation which he either palms off as the original or "just as good." With Messrs. Fulford & Co. patience has ceased to be a virtue and they are now taking steps to protect themselves and have taken action for damages as above noted and also ask for an injunction to restrain any imitating of their packages. We understand they intend instituting proceedings against all dealers who continue to sell an imitation of Nasal Balm.—*Brookville Recorder.*

The members of St. Andrew's Society here are celebrating the anniversary of the festival of their patron saint, on Friday evening next, by a grand ball to be held in the Nisbet Academy building.

On the 20th inst. the Sheriff sold the lands of this town on which two years taxes were due for the same. The bidding was brisk, and now our town is in the proud position of having no back taxes due.

The annual meeting of the Lorne Agricultural Society will be held in the Council Chamber on Monday, December 3rd, for the election of officers and the transaction of other important business. A good attendance is requested.

Ladies' Astrachan Scaques, Gent's Moscow Lamb Coats, Persian Lamb Caps, S.S. Seal Caps, Beaver Caps and a large assortment of Gloves and Mittens for ladies and gents. These goods will be sold at rock bottom prices. Walters & Baker.

The past sitting of the Supreme Court here was the third in succession that there has been no criminal cases before the judge. Since 1885 there has been only one criminal charge—that was of a very trivial nature—laid against anyone here, which speaks volumes for the conduct of the people in such a large settlement.

EMINENT PHYSICIANS TALK.

Mr. W. A. Major, of Mallorytown, Ont., writes:—My daughter suffered for years from most distressing and annoying catarrh. Her case was under the treatment of eminent physicians in United States and Canada. Two months use of Nasal Balm has had more beneficial effects than all former treatments combined.

We notice that the Battleford correspondent of the *Winnipeg Call* will publish the following item of news: "Judge McGuire, James McKay (Crown prosecutor), Deputy Sheriff Hamphreys and Mr. Newlands, member from Prince Albert, arrived here on the evening of the 20th. Court opened yesterday, there being only three cases. Very appropriate for the American gentleman and his high-jinks entertainment. Teemer Newman, who had all his clients out of the clutches of the law at the last courts."

The city was lit up on Monday night by the light of a prairie fire to the south.

Insp. Wm. Piercy and wife, of Fort Saskatchewan, Alta., have been guests of Mr. and Mrs. H. Seathard this week. Mr. Piercy went east two weeks ago, and the marriage ceremony was performed in Ontario. Constables Robson and Mathews, of the mounted police, celebrated their elevation to the position of Master Mason by entertaining the Masonic brethren to a banquet at the Windsor on Tuesday night.

Several of the mounted policemen, who are on duty in Manitoba, attended divine service at Brandon on Sunday last, and being mistaken for members of the Salvation Army, were asked to assist in the services.

Mr. Fairchild, inspector of the C.P.R. experimental farms, is in town collecting samples for the C. P. R. exhibition cars. He reports the Northwest samples as far ahead of Manitoba this year. A committee of the Board of Trade is assisting him in procuring them in this vicinity, and he promises that the exhibits from each district will be kept separate and carefully labelled.

LETHBRIDGE.

From the News, Nov. 8.

Sheriff Campbell returned home from taking prisoners to Stony Mountain on Saturday last.

The weather for the past week has been, for this time of year, very fine and the nights not very cold, ranchers are busy bringing in whatever marketable vegetables they have to dispose of to town and find a ready sale for them from the grocers and provision merchants.

The rivers in this vicinity rose to a considerable degree on Friday and Saturday last and were impassable for freight teams which in consequence had to go around by Whoop Up on their way to Macleod. The cause of the rise is attributed to the warm spell of the few days previous melting the snow in the mountains.

Mr. Glenn, of Manitoba, arrived here this morning with a carload of two and three-year old heifers which he holds for sale. The cattle are one of the finest lots we have ever seen, being large, well graded and in good condition.

FORT MACLEOD.

From the Gazette, Nov. 8.

The grist mill business was wound up on Saturday. Some \$45 expenses were ordered to be paid, and the balance refunded, pro rata, to those who had paid the first call.

Loughhead & McCarthy, solicitors for the Alberta & Athabasca Railway Co., are applying to parliament for an amendment of its charter, giving power to extend, construct, equip and operate its line of railway from its southern terminal point on Bow River or the Canadian Pacific Railway, southerly to the international boundary; and also from its northern terminus on the Athabasca River, northwesterly to the Peace River, and to increase the capital stock thereof, and for other purposes.

On Thursday night a prisoner named Wright, confined in the guard room on a sentence of six months, for selling liquor to Indians, escaped from custody, and has not yet been captured. The prisoners, Wright on the lead, were filling out the guard-room enclosure, with the guard behind them. As soon as Wright reached the open air, he made a bolt and got over the fence. The matter was investigated, and as a result, Sergt. O'Neil was reduced to the ranks; Corp. Wear-

was reduced and sentenced to three months; Const. Watts was sentenced to six months.

Charlie Stevens, in charge of the Oxley Ranch at Stand Off, met with what might have been a fatal accident while on his way home from Macleod last week. The four-horse team he was driving ran away and pulled him down. His head hung just before the front wheel and kept hitting the ground. Some of the horses fell and brought the team to a standstill when Charlie released himself. But for this he would undoubtedly have been killed. As it is his face and head were badly cut, though he received no serious or permanent injuries.

CALGARY.

From the Tribune, Nov. 7.

Last week a child playing with matches set fire to some bedding in the Palace hotel, but fortunately it was discovered before any damage was done.

Hall Bros. are packing out on an average 3,000 pounds of ore per day from their Silver King claim for shipment to Anaconda, Mont. Of course it goes out by the Northern Pacific. The ore averages \$340 of silver per ton. G.B.W right will employ about 20 men this winter on his different claims.

Friday night about 8 o'clock the fire bell rang out an alarm and in a few minutes the whole town was on the streets to find out where the fire was. In a short time word was passed that it was a small shack on Sixteen, and on further enquiry it was found to be owned by Mr. Gillespie, tea merchant, and used as a store house. It was dry material and was soon completely demolished. Mr. Gillespie's loss will be about \$700 on which there was no insurance.

THE LAST RITES.

It is with deep regret that we have to chronicle the death of Mr. George A. Miller, one of our most esteemed and respected citizens. About four weeks ago he was taken down with an intermittent fever which finally developed into typhoid. No fears were entertained of his recovery until a few days before his death when from a slight draft he took a relapse and pleurisy set in and although his physician did all in his power for his suffering patient, yet on Saturday morning last at about six o'clock he passed over to join the silent majority. Mr. Miller was one of the pioneers of this settlement, to which he came a number of years ago and took up a homestead a few miles from the present town. He owned considerable property in the eastern part of the town, where he resided for past three years, although he still followed the avocation of a farmer. He took a deep interest in all matters pertaining to education and previous to his death was chairman of the Board of Trustees Prince Albert East End Public School. In religion, he was a devoted and consistent member and regular attendant of the Presbyterian church. He was known as a kind and affectionate husband, a loving father and a generous and obliging neighbor. He leaves behind him a wife and six children, three of the latter are at present suffering from typhoid fever. His body was placed in a very handsome casket, covered with a beautiful floral wreath and the ensigns of his office as tyler of a Masonic Lodge.

The funeral took place on Sunday last and the deceased was buried with masonic honors by the members of that fraternity to which he belonged as tyler of the lodge here. The members of the masonic fraternity assembled at the lodge room at 12:30 and were driven from there to the residence of their late brother and tyler and took charge of the body, over which a part of the beautiful and impressive Masonic burial service was conducted by W. Bro. Ouellet, W.M., as assisted by the late D.D.G.M., R. W. Bro. Rev. Canon Flett. At three o'clock the body was placed in the hearse and the procession formed, headed by the P.A.C. band, after which came the members of the Masonic fraternity in full regalia; then came the hearse, followed by mourning friends, members of the St. Andrew's Society and friends in carriages. On arrival at the Presbyterian cemetery the body was placed over the grave, and the Rev. Dr. Jardine held the burial service of the Presbyterian Church, after which the Masons concluded their service, and the body of their late tyler was laid in its last resting place. The funeral, in spite of the roughness of the weather, was one of the largest—if not the largest—ever seen in Prince Albert. We note that this is the first time on which a French fellow citizen ever presided on a similar occasion in this district, and it is needless to say he performed his duties ably and well.

DUCK LAKE.

Mr. A. J. McNeil, Indian agent's clerk here, was married in Ottawa on the 10th inst. to Miss McNutt, of Charlottetown. We wish him every success and prosperity. He will be back in about a month.

Mr. M. S. Vankoughnet, of the Indian Department, has been transferred from Onion Lake to Snake Plain Agency, where he arrived last week.

Sergt. Mountain, of Batoche, is in this district arranging for the return of seed grain lent some time ago to settlers.

Baptiste Arcand, sr., is moving in the matter of forming a school district between here and Carlton. This is needed very badly, as parents are compelled to send their children to this place, a distance of from five to eight miles.

The dinner on Saturday evening, Mr. Mitchell's birthday, was in every respect a success. Speeches were made by Messrs. Ambrose Fisher, Louis Marion, R. S. McKenzie, John McKenzie, H. Kelly, W. J. Poxer and others, which were highly entertaining, especially those by Mr. R. S. McKenzie and Mr. Fisher. We only wish Mr. Mitchell had five or six birthdays in a year.

An old Indian brought in this week ten deer, one moose and two elk.

Mr. Toussaint Lucier left on Wednesday for the north on a fishing expedition. He will market them in your town.

Great quantities of freight have been passing here all week for Snake Plain and other points north.

Stewart & Co. have just got in their winter goods.

The roads in this part are very bad, being neither wheeling or sleighing.

Quite an excitement in the early part of this week at Carlton over a pony race. The animals were owned by Messrs. Primeau and Bird, the latter winning by two lengths.

Our priest now holds services at Carlton every second Sunday, as also does the Rev. Mr. Wright.

We understand the mill will be again running on December 1st. Jack McKenzie, our popular miller, has been working night and day putting it in repair, and good work may be expected.

Sergt. Broadon, of the N.W. Mounted Police, is on the mail. He will be stationed at Prince Albert.

SCRATCHED 28 YEARS
A scaly, itching, skin disease, with endless suffering. Cured by CUTICURA Remedies.

If I had known of the CUTICURA REMEDIES twenty-eight years ago it would have saved me \$200 (two hundred dollars) and an immense amount of suffering. My disease (psoriasis) commenced on my head in a spot not larger than a cent. It spread rapidly all over my body and got under my nails. The scales would drop off of me all the time, and my suffering was endless, and without relief. One thousand dollars would not tempt me to have this disease over again. I am a poor man, but feel rich to be relieved of what some of the doctors said was leprosy, some ringworm, psoriasis, etc. I took... Sassafras over one year and a half, but no cure. I went to two or three doctors, and no cure. I cannot praise the CUTICURA REMEDIES too much. They have made my skin as clear and free from scales as a baby's. All I used of them was three boxes of CUTICURA, and three bottles of CUTICURA RESOLVENT and two cakes of CUTICURA SOAP. If you had been here and said you would have cured me for \$200 you would have had the money. I looked like the picture in your book of Psoriasis (picture number two). "How to Cure Skin Diseases", but now I am as clear as any person ever was. Through force of habit I rub my hands over my arms and legs to scratch once in a while, but to no purpose. I am all well. I scratched twenty-eight years, and it got to be a kind of second nature to me. I thank you a thousand times. Anything more that you want to know write me, or any one who reads this may write to me and I will answer it.
